

## Hosting

Suite121 is your total source web solution. We not only provide superior website design and development, but we also include reliable hosting and email services for your business.

Our goal is to make the process as streamlined as possible, so we do a majority of the footwork for you.

We can purchase your domain name, transfer it to our servers, and keep up with renewals&mdash;All so you have one less thing to worry about.

As a Suite121 hosting client, your site will be placed on our state-of-the-art, climate-controlled, mirrored servers with routine backup and over 99% uptime.

We provide up to 10 free email accounts for your domain, and access to webmail and webstats.

We also provide you with any technical support that you may need for your website or email accounts.

Our hosting plans are \$20 per month or \$200( SAVE \$40) for the year.
